In addition to pay, each enlisted man shall receive rations, or commutation thereof, as prescribed by the Governor.

Each enlisted man, who has served a full three-year term of enlistment and who re-enlists within ninety days after the expiration of his previous enlistment, shall receive an increase of 10 per cent of his pay during this enlistment, and for each three years of enlistment served thereafter an increase of 10 per cent shall be granted, not to exceed forty per cent.
